

SPONSORSHIP OPPORTUNITIES.....why not GET INVOLVED

The Phuket Invitational Car Rally is a “not for profit” family car treasure hunt with a difference, transparent accounting and a nominated benefactor each year, in 2014 we are supporting the Ruamjai Rescue Foundation.

Phuket Invitational Car Rally is supported by a number of Phuket fund raisers including GOMS, BBAP, IBAP, Rotary and other voluntary organisations in Phuket and is a fun event for all the family.

On Sunday March 23RD this year’s PVCPUKET.Com Invitational Car Rally will start at The Green Man in Chalong, the Car Treasure Hunt is not a race but has some interesting stops and unusual trials and is both challenging and fun for all.

Organised by Media Business Services Co Ltd and Car Rally professionals with years of experience, the course is set to take drivers over unusual roads and into uncharted country whilst always ensuring that it is within the capabilities of any driver and vehicle so as to make it fun for all the family.

A maximum of 50 cars with drivers, navigators and families to take park along with media partner support from newspapers, magazines Phuket radio and Phuket TV Networks.
